18 holes Adventure Golf inspired by the rides at the theme park

Alton Towers has one of Europe's largest theme parks, a year-round resort with exclusive hotels and a luxury spa. Needless to say, the 18-hole Adventure Golf course is spectacular, with attractions including Squirrel Nutty's Adventures, Rita Queen of Speed and magical themes created by the owner, the Tussauds Group.

The 18-hole Extraordinary Golf is split into 2 halves to add the possibility of a shorter and cheaper play. The course takes the player through crazy obstacles, streams of water and through tunnels to get your ball to the hole.

Everything here is inspired by the most famous rides and attractions of Alton Towers. Putt your way to Oblivion and meet your Nemesis - a perfect way to start or end the day!
