QUEST

mission rooms

WELCOME

...TO THE WORLD OF CHALLENGES, TEAMWORK AND FUN!

QUEST Mission Rooms is an exciting, high-quality escape room concept designed for all age groups. The attraction consists of numerous small rooms, each featuring a unique challenge. It takes both teamwork and individual brilliance for the group to win!

Every **QUEST Mission Rooms** is an exciting and challenging experience. The typical visitors are a group of friends, colleagues or families that play together. And it's all about teamwork, solving both physical and tricky challenges to collect as many points as possible!

HOW THE GAME WORKS:

On arrival, each group of players is issued with a registered wristband. This wristband serves as the entry key for every room in a QUEST Mission.

Now it's time for an adventure! Each room offers different challenges: puzzles, dexterity challenges, reaction tests, and brain teasers.

As players progress through the rooms, they can monitor their scores on screens located in the custom-designed corridors.

The more successfully the group completes the tasks, the more points they earn. In the end, the score decides: Which team completed the mission best and made it to the top?

A ton of fun for all age groups with a huge replay value!

5 REASONS WHY

...THE QUEST MISSION ROOMS ARE A PERFECT FIT FOR YOUR FACILITY!

1. FULLY AUTOMATED

One of the great advantages of the Mission Rooms is the fact that it's fully automated. Each room resets itself after every group and is ready for the next players to enter for a new challenge. This gives you a safe operational security for your facility with minimum staff requirement.

2. WEATHER-INDEPENDENT

As an indoor attraction, the Mission Rooms are completely weather-independent. Guests are protected from both the cold winters and the summer heat.

3. INDIVIDUAL THEMING AND ROOM DESIGN

Every **QUEST Mission Rooms** attraction is unique. We design and plan the facility based on your specific needs and wishes. You can choose from our wide range of challenges or provide your own ideas and preferences for room design and sizes. You can also choose your preferred room sequence and themed corridor design.

4. MAXIMUM FLEXIBILITY

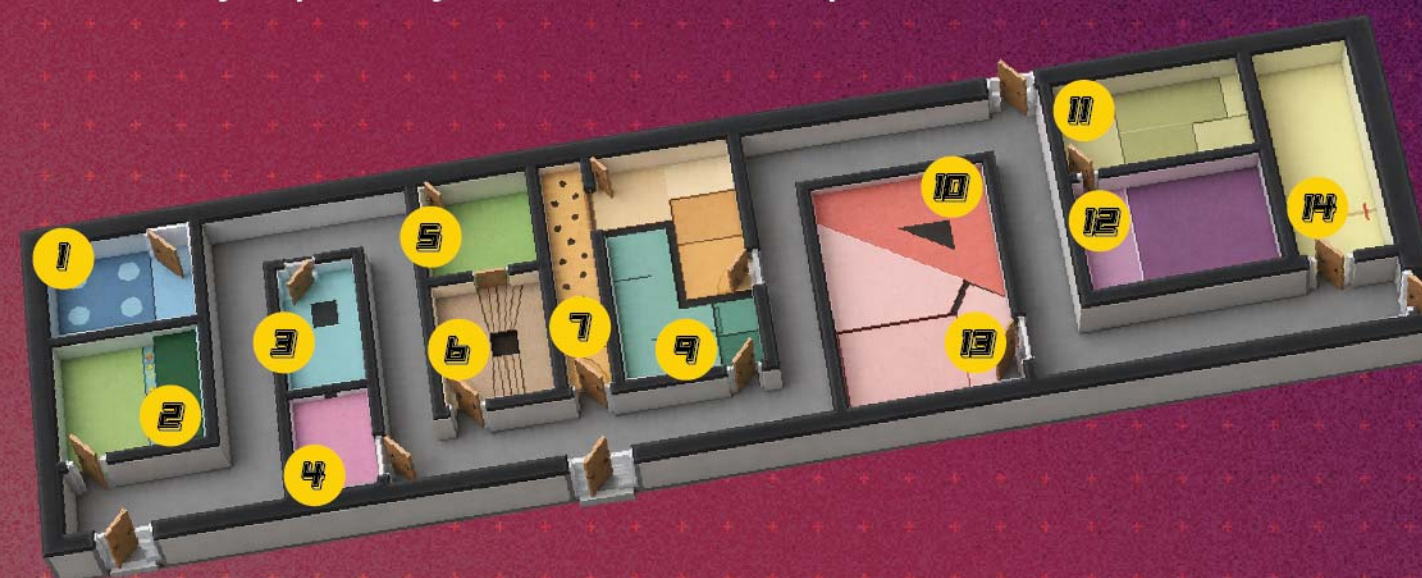

The **QUEST Mission Rooms** can be operated 24/7, all year round, giving you maximum income potential and profitability!

5. READY TO COME BACK

Every visit to the Mission Groups is different, since the experience depends on the other players in the group. The scoring system encourages the players to come back and set a new high score.

SMALL REQUIREMENTS - BIG POSSIBILITIES

...the **QUEST Mission Rooms** can be adjusted and design to also suit even the smallest of areas. We recommend an area of about 200–300 m², but we can also create a one-of-a-kind attraction in smaller or significantly larger spaces. To do this, we adjust the number of challenges and the sizes of the different areas so that they fit perfectly within the available space.

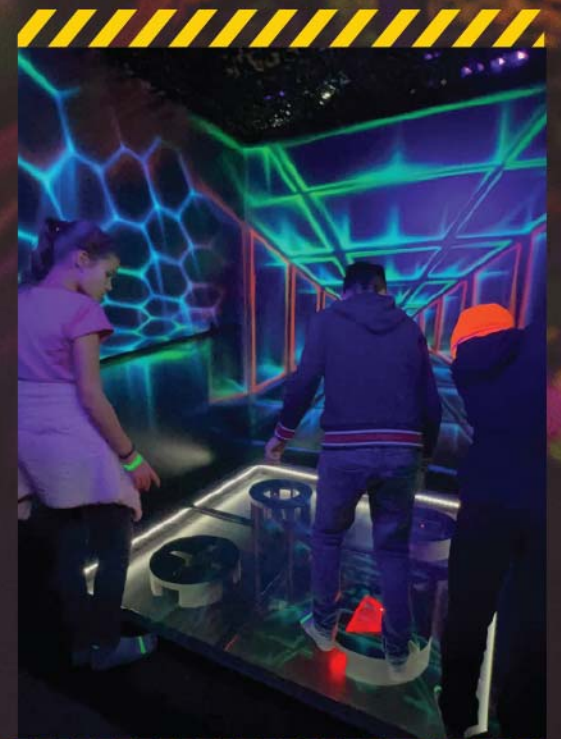

- | | | |
|-------------------|------------------|------------------------|
| 1. Tilt | 6. Magnet | 11. Traffic Light |
| 2. Quiz | 7. Floor is Lava | 12. Basketball |
| 3. Electric | 8. 1+2=3 | 13. Mission Impossible |
| 4. Crack the Code | 9. Crawl | 14. Laser |
| 5. Memory | 10. Lights Out | |

If space is limited, it's easy to incorporate multiple challenges into each room. This allows for even more efficient use of the available space.

TRUE UNIQUE EXPERIENCES

Should your guests explore the various rooms in a mysterious black-light setting, or would they prefer a bright, elaborately themed environment? Would they prefer light or darkness? Should the rooms be located in narrow, winding hallways, or arranged around an open space? Every QUEST Mission Rooms facility can be elaborately designed and decorated—entirely according to your individual preferences and the available space.

*SEND YOUR GUESTS ON A
MISSION WITH EXCITING
CHALLENGES THAT REQUIRE
TEAMWORK, LOGIC, SKILL OR
KNOWLEDGE!*

THE CHALLENGES

BRAND NEW CHALLENGES

Even more adventure, even more challenges, and even more fun: We're constantly improving the **QUEST Mission Rooms** and are always coming up with new ideas and concepts for additional rooms. These three challenges are now available:

THUNDERSTACKER | WALL FROM HELL | BRIGHTNESS

QUEST MISSION ROOMS

FEAT. X-WALL

Take your **QUEST Mission Rooms** to the next level with a built-in interactive X-Wall! The X-Wall is a projection-based gaming system that transforms any blank wall into an interactive gaming environment. The system includes a projector, camera, sensor and unique software to provide players with a one-of-a-kind experience. There are more than 100 mini-games that can be played on the wall. You can decide whether your guests can choose from the entire catalogue or whether you want to unlock only certain games as part of the **QUEST Mission Rooms**.

SHOWCASE

PAN'S

PAN'S INDOOR ABENTEUER

Joachimsthal, Germany

Opening: 2022

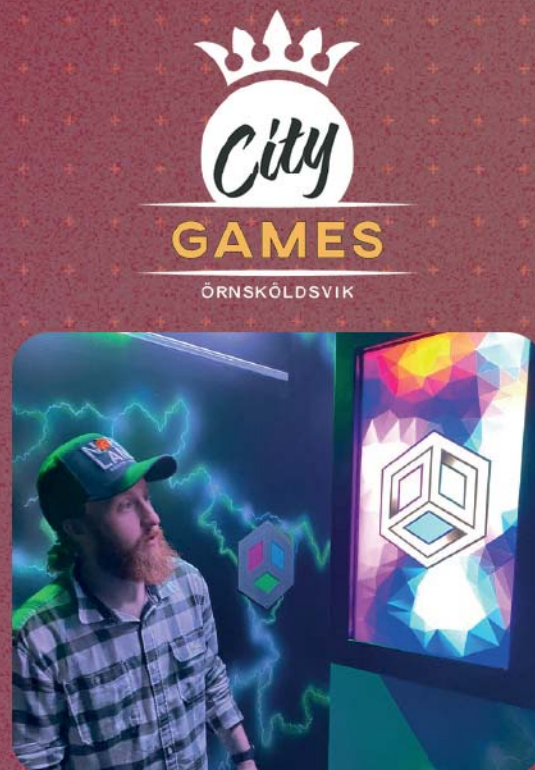

The Mission Rooms at PAN's Indoor Abenteuer in Germany were the very first **QUEST Mission Rooms** installation. Located about 60 kilometers from Berlin in the small town of Joachimsthal in Brandenburg, PAN'S Indoor Abenteuer offers various attractions such as an indoor adventure golf course, ValoJumpAir, and-as the main attraction-the Mission Rooms. A total of 14 rooms and obstacles are waiting to be discovered and conquered. Up to 7 groups can play at the same time. Even though the facility is located in a small town and has limited hours of operation, up to 7,500 people visit the attraction every day.

CITY GAMES

Örnsköldsvik, Sweden

Opening: 2023

We were able to complete the second installation of a **QUEST Mission Room** system in Örnsköldsvik, Sweden. Here, the Challenge Rooms are operated in combination with a bowling alley. The facility comprises 14 rooms in total and covers a floor area of around 200m². The corridors that connect the the rooms highlight several local landmarks and Northern phenomenon such as the beautiful northern lights.

LASERDOME

Bromma, Sweden

Opening: 2024

This FEC is located just outside Stockholm and offers various attractions such as lasertag, an indoor golf course, and-since March 2024-the **QUEST Mission Rooms**. With 15 exciting challenges, this is our largest installation to date. In terms of design, we've created an imaginative black-light world featuring abstract shapes, space-themed decor, and whimsical characters. The space covers approximately 200 m².

LASERDOME
BROMMA
Simply the best

FUN4YOU

Dättwil, Switzerland

Opening: 2025

Originally, the Swiss attraction FUN4YOU featured a large bowling alley and a black-light mini-golf course. Six bowling lanes were removed to make way for our latest installation of the **QUEST Mission Rooms**. About 40 People can tackle the 14 challenges at the same time. Themed around a jungle setting, visitors are invited to take part in a spectacular spy test.

HOW CAN WE HELP TO MAKE YOUR ATTRACTION A CROWD FAVORITE?

Our mission is your success. That's why we see ourselves not just as a service provider, but as a full-service partner at every stage of your project. Whether you already have detailed ideas for your future attraction or are just getting started, together we'll turn your vision into reality.

CREATIVE PROCESS

With our many years of experience, we can provide you with optimal support throughout the creative process. That's how every QUEST Mission Rooms attraction becomes unique!

MARKETING AND COMMUNICATIONS

Through our extensive network, we offer a variety of service providers who can help market the new attraction—whether through advertising, a website, social media, photo/video production, or PR.

PLANNING AND PERMITS

Building challenge rooms shouldn't be a bureaucratic challenge—we clear the hurdles and assist with building permits, fire safety, and other safety requirements.

EFFICIENT OPERATIONS

We'd be happy to advise you on improving operational processes, staff allocation or upselling opportunities.

THE QUEST MISSION ROOMS ARE ALL ABOUT TEAMWORK -EVEN DURING THE PLANNING AND CONSTRUCTION PROCESS!

STEP BY STEP TOWARD YOUR NEW MAIN ATTRACTION!

STEP 1

Contact us directly or request information on our website.

STEP 2

We will send you a checklist of questions to fill in. Based on the information you provide, we will create customized drawings with a presentation of your Mission Rooms facility.

STEP 3

Feel free to provide comments, feedback, and requests for changes to the initial proposal. We will then adapt the concept to meet your expectations.

STEP 4

If all parties finally agree to proceed, we will send you a draft agreement for you to read and sign.

STEP 5

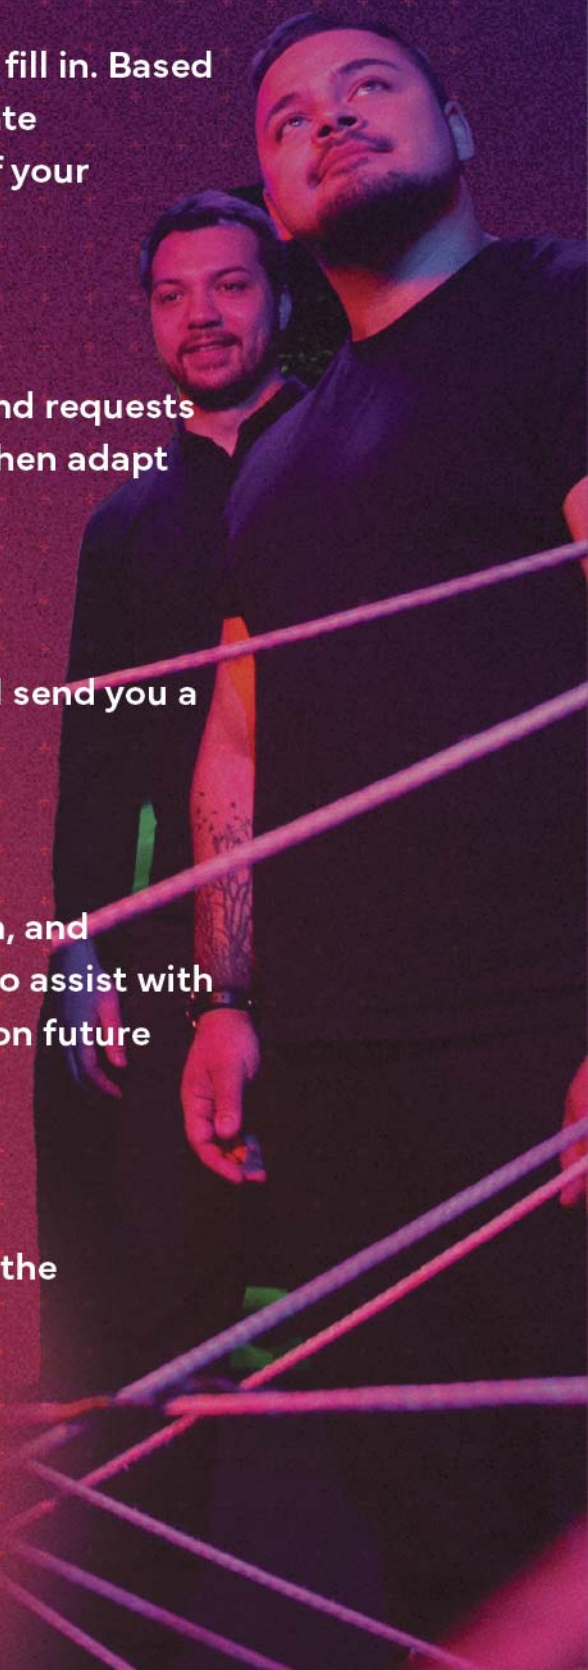

Together, we plan the timeline, construction, and subsequent commissioning. We are happy to assist with the permitting process and provide advice on future operations.

STEP 6

The plans come to life! Our team sets up all the challenges and the desired theme.

STEP 7

Let the Quest begin!
